Revised Supplemental Informed Consent for In-Office Visits During the Pandemic

I understand and agree to the following requirements to be seen during the pandemic:

Initial ☐ You will wear a cloth face covering or surgical face mask during all sessions and Dr. Dungan will do the same.

Initial ☐ You will only keep your in-person appointment if you are symptom free. If symptoms are present as outlined in the Revised Supplemental Informed Consent, the appointment will be canceled and moved to telepsychology if possible.

Initial ☐ You will wait in your car until your session time and not the waiting room. You will text Dr. Dungan at (317-384-7196) when you have arrived and Dr. Dungan will inform you when it is time to come to session.

Initial ☐ Parents with minors may not wait in the waiting room until the session is complete. They must wait in their car or outside of the building. They may text any concerns or come in at the end of session for any updates.

Initial ☐ Hand sanitizer will be available in Dr. Dungan's office.

Initial ☐ You will adhere to safe distancing precautions Dr. Dungan has outlined in the Revised Supplemental Informed Consent and posted on her office door. There will be no physical contact (i.e., hugs, handshakes) and you will sit where asked during session.

Initial ☐ You will notify Dr. Dungan of any potential exposure risks including jobs, or activities.

Payment Agreement

Dear Client/Responsible Party on Behalf of Client:

By signing and dating this form, you agree to be personally responsible for all charges incurred through the services provided by Dr. Dungan. This includes cost of intake, therapy sessions, testing sessions, no-show appointments, and late canceled appointments.

Payment for services is due at the time of service. For self-pay patients, the agreed upon amount is due at the time of service. For insurance-based patients, an estimated cost of service will be due at the time of service. These estimated costs will be explained in detail during the intake session. Additional fees will be incurred if there are no-show appointments or late canceled appointments. The fees for these missed appointments will be added to the amount due for both self-pay patients and insurance-based patients during the next session.

If you use insurance benefits, Dr. Dungan will attempt to verify your benefit coverage for her services to the best of her ability by contacting your insurance company. She needs to inform you; however, that benefit coverage does not guarantee payment by your insurance company. If coverage is denied by your insurance company, you will be personally responsible for all charges incurred by signing and dating this form.

If services are terminated and there is a remaining balance due, Dr. Dungan will attempt to contact you to collect payment. If she is unable to reach you after a reasonable period, she will charge the credit card on file to settle the balance.

By signing below, you agree to all terms and conditions outlined in this document. You acknowledge that you are the Parent/Legal Guardian of the patient, and understand that your signature is legally binding.
